# Free Prescriptions For Everyone!

.....

**Prescription drug prices** have skyrocketed over the last few years to the point people can no longer afford them. You shouldn't have to choose between feeding your family or taking your medications. We have created a new concept where you actually PAY NOTHING for your prescriptions. Through strategic partnerships and our buying power, we can get you access to the most used generic medications for **FREE!**

GET THE MOST PRESCRIBED MEDICATIONS FOR **FREE!**

## Acute Medications (Immediate Need)

.....

If you have an immediate need for these types of medications, members will be able to pick up these medications at their local retail pharmacy. This part of the program makes available the top 125 most prescribed acute medications for **FREE**, for up to a 21-day supply at over 64,000 pharmacies nationwide.

## **Chronic Medications** *(Maintenance Medications)*

Maintenance drugs are medications prescribed for chronic, long-term conditions and are taken on a regular, recurring basis. Examples of chronic conditions are: high blood pressure, high cholesterol and diabetes, to name a few. These drugs are well-established medications that have proven safety and efficacy and are considered first-line therapy options for the treatment of common chronic conditions.

## Pharmacy Coaching

*Professionals You Can Count On!*

---

**My Free Pharmacy** has a team of highly educated, well trained pharmacists (RPh and/or PharmD) with decades of clinical experience. Our pharmacists are focused on helping patients achieve the highest quality of life through medication, counseling, education and adherence to the latest pharmacology standards.

## Our Pharmacists Are Here To Help!

---

**Our experienced team** of customer service and licensed pharmacists provide the highest level of care when members need it most. Through pharmacy coaching, we educate members on possible medication options and opportunities to save additional money when available. We will consult with you and your doctor to inform you of the alternatives and help make the best decision for your personal and financial health.
